KEEP SAFETY SIMPLE.COM

12 MONTHS HEALTH & SAFETY COMPETENT ADVISER SERVICE WITH UNLIMITED FREE FULLY CERTIFIED e-LEARNING!

This service is designed to assist you in meeting your duties in the Criminal Law to protect your People, Brand & Directors.

Our Retained Health & Safety Adviser Service helps you to meet your duties in the Criminal Law in the form of Regulation: 7 The Management of Health and Safety at Work Regulations that demand you instruct a Competent Health & Safety Adviser. We use a multi-tiered support system comprising of our **Desktop Management System** together with **e-Learning platforms, email advice, Video-Consult, Site Visits & 24 hr Helpline** to help you meet your legal duties.

- Our **Desktop Management System** contains electronic (print as many copies as you wish) Example Polices, Procedures, Checklists, Risk Assessment Templates, Frameworks & Manuals - [\(click for detail\)](#).
- An **e-Learning platform** incorporating portal access in your organisation's name & logo has been developed to provide a desktop training resource described in more detail below.
- Our **email advice** provides ongoing support throughout the year when you need a little guidance on risk related matters.

The Criminal Law calls for an Employer to appoint a Competent Person to assist him in his undertaking. This service helps to support this legal call – [click here](#) for our levels of competency & the HSE position. Following recent client-consultation regarding service upgrades they specified an additional service need now known as **Video-consult**.

Video-consult eliminates the waste of time and resources incurred through consultants' visits, the need to pay additional fees, travel expenses and then the wait for a report! (Clients described this as so last Century)! They specified the need to video a workplace concern on their 'phone, send us the link and get **free advice swiftly**. We have now included this service provision for many business sectors.

e-LEARNING PLATFORM

Now core fully certified statutory training can be provided to staff irrespective of their geographical location free of charge throughout the term of our support.

If Insurers, Lawyers, Enforcement Officers or Auditors ask how you provide training your answer is a click away! You may decide to use the system to provide **induction**, or **annual awareness training** all that is required is online access.

This allows any number of your people to complete, Health & Safety, Risk Assessment, Fire Marshal/Fire Safety, Manual Handling & DSE/Workstation Assessment Training online **FREE of charge** for a full 12 months irrespective of the number of employees you have. They can even complete their training on their phones!
